

TALPINES LABOUR DAY NEWSLETTER

Bears, bears, bears

UPDATES

Happy Labour Day! 🎉

Fall is fast approaching, and this year in Waubaushene we are hearing reports of many bears swimming nearby, on the Trail and in town. One came to visit the Bunkie woodlot briefly. Be careful! If you see a bear, consider reporting it to MNR, they are keeping track of their whereabouts. There is a great « tips » page on bears at <http://www.bearwithus.org/>

Municipal Elections

It appears that no one is contesting the candidates running for Tay Council, so the candidates who have put their names forward are now acclaimed. Ted Walker is mayor, Barry Norris is Deputy Mayor, and Judy Larmand and Sylvia Bumstead are new councillors. Jeff Bumstead withdrew. Mr. Lachapelle, Sandy Talbot, and Paul Raymond will again be on Council. Mary Warnock is not running again 😞
