COMMUNITY GARDEN VETERAN'S PARK

# **CELEBRATE** 🎉 😊 **NATIONAL INDIGENOUS PEOPLES' DAY**

**June 21st 6 - 7:30 pm at the Community Garden, Pine Street, Waubaushene**

**Drop-in Social to celebrate National Indigenous Peoples Day**

The Community Garden Committee will have snacks, discussion, some drumming, smudging and making Tobacco ties (prayer ties) that will be used in a ceremony the following morning at the Reconciliation Artwork in the Sturgeon River Forest on Rosemount Rd.

On Wed. June 22 at 10am, Elders are coming from the Parry Sound Native Friendship Centre to conduct a ceremony for the Summer Solstice in this nearby forest. The Tobacco ties from last year will be taken down and the new ones put up. The purpose of the Tobacco ties is to put our prayers and good wishes into the tobacco for the healing that needs to happen with the Truth and Reconciliation work that is being done in Canada. So, on Jun 21st we can make those ties together.

The Committee is having the social at the same time as the Benny Club so that the parents and caregivers can come up and take part if they wish.

**Everyone is welcome.**

hope to see you there! Victoria Reaume, President Talpines POA
