

Entrances to Waub

Talpines POA newsletter May 17, 2023

We hope you like Talpines' efforts to enhance the entrance signs. Tay Council approved a grant for Talpines to maintain the gardens, including these two, and the Horticulture Committee put up the pretty painted bikes.

Thanks Tay! And Thanks to Vicki Lucier for creating the signs, and to Paul and Barry for installing them! Our volunteer gardeners have started cleaning up the Pine Street Beach Garden, and soon it will bloom and be lovely again. **Thanks to Dave Whidden of Waubaushene Landscaping and Septic supplies who once again donated a yard of triple mix for the gardens. Such a generous person!** 😊

UPCOMING EVENTS

The leaders of the Community Garden in Veteran's Park are hosting a planting event Sat. May 27 at 11am -- Planting Celebration with Indigenous Hand Drummers, music, planting and a pot-luck to follow.

✦ **A VERY SPECIAL EVENT COMING UP THANKS TO
TALPINES DIRECTOR BEV HOSTYN AND HER TEAM**

Guided Hike: Life's A Beach at Waubaushene!

When: June 17th, 10:30am

Duration: 1.5 hours

Join Awenda Provincial Park's Chief Park Naturalist, Tim Tully and explore the significance and biological diversity of Waubaushene Beaches Provincial Nature Reserve. There's more to this 'beach' than meets the eye! Learn more about the interconnected story of geography, biology and human history and join us for a casual hike to explore nature in your backyard!

Degree of Difficulty: Medium- High (We plan to hike up the trail traversing the bluff face from the lower sandpit area.)

Where: Park your vehicle at Albin Road (on the Reserve side); meet at the Well site.

*****Please note Poison Ivy is prevalent throughout the site, and there is long grass so long sleeves, long pants and closed toe shoes or boots are highly recommended. Consider water bottles, bug spray, hats or other protective gear.**

HELLO PICKLEBALLERS! 🏓.

Barry and Sue Dougherty asked for, and received, permission to install another permanent pickleball net in Bridgeview Park because of the huge popularity of their pickleball events and seminars. They are raising funds to purchase a second permanent net, so get in touch if you're into pickleball ! 🌟🌟🌟

Speaking of donations, it's that time of year! Talpines' annual dues of 30\$ have not changed for decades, and they are now due. You can drop off your annual membership fee in cash to any director, or by electronic transfer to our treasurer Evelyn Roberts at taytalpines@gmail.com.

Or if you like, send a cheque to Box 9 Waubaushene, L0K2C0 or drop us an email and we will come and collect it at your home.

THANK YOU FOR YOUR SUPPORT! **YOUR COMMUNITY**

THANKS YOU 🌸🙏

All the best on behalf of the directors:

Victoria Reaume, President Talpines POA
