HAPPY HOLIDAYS!

Well, the holidays are upon us, and Tay is now in a COVID “red zone” with extra precautions necessary. Stay Safe with

your family bubble, we are all awaiting the vaccine and the end of this!

Tay Council has a couple of interesting surveys for you to complete on line. One has to do with the size of Council, and the ward system. North Simcoe County is also asking for input on municipal services. There will be a Tay Virtual Public Townhall on this issue. Join the Zoom meeting if you can.

Please urge Council to protect our library branches and our local environment! More info at tay.ca under “surveys”.

Tay Virtual Town Hall Thursday December 17th at 7:00 p.m.

Join Zoom Meeting. <https://us02web.zoom.us/j/87573471342>.

THE WAG COMMITTEE FIGHTS FOR A COMMUNITY CENTRE HUB

Tay Council has appointed an ad hoc committee to investigate the viability of the Pine Street school on Pine Street in Waubaushene to convert to a community centre hub. Let's help save this building from landfill, and make use of it for the benefit of the community! **Write to Council** to support this initiative and if you haven't done so already, please sign the petition posted on the Waubaushene virtual hub Facebook page. Council will be receiving reports and making decisions on this soon, there is a deadline of **February 10, 2021** for their decision. Keep an eye on the Council meeting calendar for updates especially in **January**.

Severn Sound Environmental Association is searching for “citizen scientists” to keep a watch on ice cover on Severn Sound to monitor climate change. Please contact Aisha if you can observe the ice cover and participate. **Aisha Chiandet, M.Sc. | Water Scientist**
