

A chilly sunset over the Bay

TALPINES POA JANUARY 2022 NEWSLETTER

Here we are in 2022 and it looks a lot like 2021 🙄 except we have more snow and it's really cold 🥶. BUT, the Omicron wave appears to be peaking. Let's hope the end is in sight and soon we can gather together.

RECENT UPDATES:

- ✦ The Waubaushene outdoor skating rink at Bridgeview Park is open for business! Folks are playing shinny 🏒
- ✦ The Township has cleared a section of the Trail from the Pine Street beach to Coldwater Road for the devoted walkers and cross country skiers who can brave the cold. 🏂 and the kids are tobogganing at Veteran's Park. 🛷🧑
- ✦ Check out Tay's Covid rules at tay.ca

- ◆ **The Pine Street school has been purchased and is being converted into apartments. Work on the building conversion has started.**
- ◆ **Talpines applied for a Tay grant of 2,000\$ to assist us in continuing our water testing program and Pine Street garden, and for assistance in creating a new community garden at Veteran's park. THANK YOU TAY TOWNSHIP 🙏 for approving our grant request. We can hardly wait to get started. Special thanks to Peter Cox and Bev Hostyn for proposing this great idea. The idea is to create a garden using the « three sisters » method, and to distribute the produce to the community. We are looking for volunteers to assist us in the spring. Get in touch at talpines.ca**
- ◆ **Garbage Carts: if you are having trouble with the large garbage carts, you can now exchange them. Go to simcoe.ca Size Swap to learn how.**
- ◆ **Stay safe, get boosted, and we anticipate bidding farewell to this nasty pandemic so we can once again enjoy our beautiful community together this summer.**
