Your Community, Your Voice

Huronia Community Foundation is conducting a *Vital Signs*® Survey of all residents of North Simcoe to understand what the most pressing needs are in our community. The data gathered will support evidence-based, locally relevant solutions to improve the quality of life at the community level.

The survey will take just over 5 minutes to complete and closes at midnight on July 20th, 2022. No personal or identifying information will be collected or shared.

We ask that you complete the attached survey and share it with others in your household or friends you think may not have received it.
