Happy Earth Day! **THANK YOU** to the many volunteers who helped pick up litter in Waub, including Mayor Ted Walker and Councillor Barry Norris.

WELCOME to new Talpines Members: Pari and Ravi and their two charming kids who pitched in on litter day.

UPDATES:

*Tay Council has approved our request to install one permanent pickle ball net on the ice rink at Bridgeview Park. Thank you! Barry and Sue Dougherty who run the informal Waub Pickle Ball Club hope that you will consider making a small donation to fund the new equipment. Email Barry at barrydougherty99@gmail.com. Come out and PLAY this summer. 🎾🏃

*Talpines Members Sharon and Peter and volunteers have begun construction of the community garden in Veteran's Park on Pine Street. Next to arrive: the soil! Local hero Dave Whidden of Waubashene Septic is donating yards of triple mix for this garden, and the garden at the Pine Street Beach. Thank you Dave for your generosity.
