

The **BUCKET BRIGADE** watering the Pine Street Garden with lake water during the watering ban. Thanks to Rowan and Andrew, Ave, Victoria and Vicki. 🙌 GO TEAM. The gardens look great.

## TALPINES POA JUNE 2021 NEWSLETTER

**PROGRESS!** Things are improving as vaccinations increase, we're optimistic for our summer. We're hoping to have our AGM and Block Party in August. Stay tuned...

### HERE ARE SOME RECENT UPDATES:

- ◆ Thanks to Barry and Sue Dougherty, **PICKLEBALL** is being played at Bridgeview Park. What fun! As restrictions ease, seminars will be offered, and soon we will be able to play doubles. Stay tuned to the Waubaushene Pickle Ball Facebook Page, and the Waubaushene Library for updates.
- ◆ **THANK YOU** to Richard Ivey and Joanna Jorgensen for the donation of the professional Basketball net at Bridgeview Park. **WOW!** Kids are enjoying it! Thanks to Paul, Barry, and Richard for installing it and painting court lines. Talpines members **ROCK!**

- ✦ **Tay Council has an ad hoc committee that has created a survey to determine Waubaushene's recreation and community space needs. PLEASE fill it out and let them know your thoughts: [tay.ca](http://tay.ca)**
- ✦ **DAY CAMPS TAY TOWNSHIP: Keep an eye out for announcements on Tay's website for registration dates for Tay's day camps for kids. Apparently two camps of 20 kids each will run in Tay this summer, at Oakwood Park and in Port McNicoll.**
- ✦ **WATERING BAN: due to extreme low precipitation, low water pressure, and upgrades to the Victoria Harbour water plant, the outside watering ban will continue until at least June 22, 2021.**

- ✦ **TURTLES ARE LAYING THEIR EGGS and are highly visible on the Trail and the roads in Tay. Please give them plenty of space.**

STAY SAFE. THINGS ARE OPENING UP! 😊 Thanks from the Directors to all members who have submitted your Talpines Annual dues electronically, or by cash or cheque.

Victoria Réaume

President, Talpines POA
